### IXOPAY partners with SHS Viveon

*Centralized payments and unparalleled risk & credit management*

**Munich, 27th July 2021** – the industry leading payment orchestration platform, IXOPAY has partnered with SHS Viveon, industry pioneers in risk, credit and compliance management.

The strategic partnership will see IXOPAY and SHS Viveon provide clients with a payment solution that enables them to have flexibility, independence, and optimized risk & credit management in an integrated platform, letting them focus on their core business.

IXOPAY's architecture is designed to give merchants the best payments processing options per country, with its intelligent routing, cascading, and unparalleled risk management function. As a best of breed payment orchestration platform, users benefit from centralized reconciliation and settlements, along with simplified integration of acquirers, payment service providers, and risk service providers.

Headquartered in Munich, SHS Viveon's mission is to radically simplify the management of corporate, financial, and regulatory risks. From one platform users have a 360° business partner compliance and risk management solution for all their customers and business partners.

Make faster, better and, above all, fully digital credit, limit and sales decisions based on the best possible information with SHS Viveon.

"The partnership with SHS Viveon is a natural step for us. Our aim is to work with the best providers on the market, so that we can give our clients the necessary tools and know how to augment their payment set-up." Said Laura Allan, VP of Partnerships, Marketing and Business Development at IXOPAY.

"Partnering with IXOPAY makes sense as both companies strive to provide clients with the best possible data and access, so that they can make informed decisions that will boost their payment strategy and support expansion when merchants are entering new markets." Added Rolf Anweiler, VP Marketing and Partnerships at SHS Viveon.

This partnership strengthens IXOPAY's commitment to open collaboration.

## **About IXOPAY**

IXOPAY is a payments orchestration platform enabling independent, flexible and global payment processing. As a highly scalable and PCI-DSS certified "fintech enabler", IXOPAY fulfills the needs of large merchants as well as those of "white label" clients: payment service providers (PSPs), acquirers and independent sales organizations (ISOs). The modern, easily extendable architecture offers smart transaction routing & cascading, state-of-the-art risk & fraud management, fully automated reconciliation and settlements processing, comprehensive reporting as well as plugin-based integration of acquirers, payment service providers and alternative payment methods (APMs).

IXOPAY is part of the IXOLIT Group, founded in Vienna, Austria in 2001. With local entities in Austria and the USA, IXOLIT supports national and international customers across various industry verticals. The owner-led and -financed company has grown from 2 to more than 65 employees and is focused on building innovative solutions for eCommerce.
