

## PRESS RELEASE

### SHS Viveon and see finance group simplify credit risk management

*With the addition of insurance broker see finance group to its partner portfolio, SHS Viveon AG strengthens its market presence in Germany to deliver one-stop technology and consulting solutions*

Munich, 22nd March 2022 – SHS Viveon AG (m:access ISIN DE000A0XFWK2 / WKN A0XFWK), provider of a modular platform for the digitalization of risk, credit and compliance processes, announces a cooperation with see finance group, one of the leading independent specialist brokers for risk transfer solutions in liquidity protection and procurement as well as surety and fidelity insurance in the DACH region.

The aim of the collaboration is to significantly simplify the management of credit risks through coordinated consulting and technology solutions. Companies with large customer portfolios benefit from the fully digitized credit management processes of the SHS Viveon platform. This saves time and costs and promotes efficient collaboration between customer, broker and risk carrier.

As one of the leading specialist brokers in the DACH region, see finance group contributes its comprehensive industry network, which enables the best insurance solutions for the customer in each case. The SHS Viveon platform significantly simplifies and automates the handling of trade credit insurance contracts by centralizing and digitizing the often-time-consuming manual processes from risk identification to coverage and documentation (management of obligations) in the SHS Viveon platform.

Ralph Schuler, CEO of SHS Viveon, emphasizes: "In the credit insurance business, smooth interaction between the company, broker and insurance company is the decisive prerequisite for cost efficiency and functioning risk coverage. As SHS Viveon, we ensure that the complete contract management is integrated smoothly and automatically into the existing credit management process, even in highly complex system landscapes. Especially in international use, our platform also secures significantly greater flexibility than many other solutions."

Michael Eisele, Managing Director of see finance group adds: "Through the strategic partnership with SHS Viveon, we can advise our customers even more comprehensively on the digitalization and automation of their credit management. With this cooperation,

customers gain significant added value in terms of efficiency, transparency, convenience, security and cost optimization."

## **About SHS Viveon**

SHS Viveon has made it its mission to significantly simplify the management of corporate financial and regulatory risks. The SHS Viveon platform enables risk, credit, and compliance management teams to automatically identify, assess, and hedge risks in a flexible, digital process. It simplifies access to all relevant data from any system, automates processes, improves analysis and simulation, and enables better business decisions. SHS Viveon was founded in 1991 and has been listed on the m:access segment of the Munich Stock Exchange since 1999.

## **About see finance group**

For many years, the see finance group has been an independent partner in the field of "business-to-business" for securing liquidity (e.g. credit insurance, insolvency contestation, political risks, debt collection) and for obtaining liquidity (e.g. bonding insurance, factoring, asset backed securities) as well as consulting (e.g. financing) - both for medium-sized businesses and for large international companies. A team of experienced specialists offers integrated support and consulting (e.g. analysis, transfer solutions, service) for liquidity management. Since 2021, see finance group has been part of the GGW Group.
